

## **PYC Parent Compact**

PYC Arts & Technology Alternative High School is a place where staff, students, families and community come together to help all students reach their full potential in a positive, safe learning environment. As partners we agree to the following:

As a school we agree to:

- Welcome students and parents.
- Maintain a positive and safe learning environment.
- Provide opportunities for staff development, to promote and improve student achievement.
- Work to ensure two-way communication between family and school.
- Explain expectations, curriculum, and assessments to student's progress.
- Remain competent and current in curriculum and instructional expertise.

As a parent/guardian I agree to:

- Support my child's academic commitment.
- Encourage my child to read.
- Send my child to school each day on time.
- Communicate my child's needs to his/her teachers or support staff.

As a student I agree to:

- Come to school prepared to learn.
- Participate in my education.
- Be respectful toward others and school property.
- Respect the learning process for myself and others.
- Believe that "I Can and Will Learn!"
